Chapter 4 Sharing and Providing Personal Information

Article_7 (Basic Principles of Sharing and Providing Personal Information)

- A. Mile shall use the personal information of Members within the range notified in Article 6 and shall not use the personal information of Members outside of such range or disclose the personal information of Members to third parties without the prior consent of the Member. However, the following cases shall be excluded: The Member agrees in advance
- B. Personal information is processed and provided in a way that makes it impossible to identify a specific individual for statistical purposes

- C. There is a request from an investigating agency for the purpose of an investigation in accordance with procedures and methods prescribed in the law

Chapter 5 Entrustment of Handling Personal Information

Article_8 (Entrustment of Handling Personal Information)

In principle, Mile entrusts the handling of personal information of Members to third parties as follows:

Information regarding Transfer of Personal Information Overseas

- A. Items of Personal Information to be Transferred: Certain items designated by Mile among the items collected by Mile
- B. **Country of Transfer: U.S.A.**
- C. Timing and Method of Transfer: Transferred immediately by Mile upon collection
- D. Name of Recipient
- E. Purpose of Use: For Mile to receive cloud server data storage services Purpose of Use: For Mile to receive cloud server data storage services

- F. Period of Use and Storage by Recipient: From transfer to Recipient until Mile terminates services with the Recipient

Chapter 6 Retention and Use Period of Personal Information

Article_9 (Basic Principles of Personal Information Retention and Usage Period)

In principle, personal information of Members is destroyed without delay when the purpose of collecting and using personal information is achieved. Upon a Member's termination of the membership with Mile, the purpose shall be considered as achieved on the date two weeks from the termination date unless the Member rejoins the membership within the two weeks.

Article_10 (Retention of Personal Information under Mile's Internal Policy)

Notwithstanding Article 9, in order to prevent disputes related to the Services, Mile shall transfer information related to membership and management in a separate DB (in the case of information recorded on paper to a separate document) in accordance with the internal policy of Mile and keep it for the following period, and use it only within the scope of its purpose.

- A. If an investigation is underway for a violation of the relevant laws by a Member: Until the end of investigation

- B. If there is a debt relationship between Mile and the Member: Until the settlement of the relevant debt

Article_11 (Retention of Personal Information by Relevant Laws and Regulations)

Notwithstanding Article 9, Mile shall transfer information related to membership and management in a separate DB (in the case of information recorded on paper to a separate document) in accordance with the relevant laws and regulations and keep it for the required period, and use it only within the scope of its purpose.

Chapter 7 Destruction of Personal Information

Article_12 (Procedures and Methods of Destroying Personal Information)

1. Mile will destroy the personal information within (i) 5 days from the date of termination of the personal information retention period under Article 9 to Article 11 or (ii) 5 days from the day when the processing of personal information is deemed unnecessary if the personal information becomes unnecessary (including completion of the processing of personal information, abolition of service, termination of business) in accordance with Paragraph 3.

2. Mile shall identify personal information that has a reason to be destroyed, and destroy the personal information with the approval of the person in charge of personal information protection.
3. Mile will destroy personal information in the following ways:
 - A. Personal information recorded and stored on paper: Destruction by shredding or incinerating
 - B. Personal information stored in electronic file format: Destruction by using a technical method such as low-level format so that the record cannot be restored

Chapter 8 Membership Rights

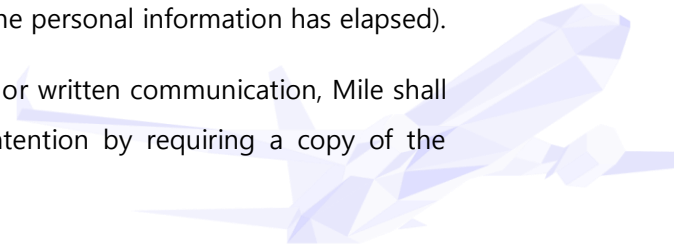

Article_13 (Withdrawal of Consent to the Collection, Use and Disclosure of Personal Information)

1. A Member may withdraw consent to the collection, use and disclosure of personal information through the membership process at any time
2. Withdrawal of the consent may result in restrictions on the use of the service.

Article_14 (Requests to View, Verify, and Correct Personal Information)

1. If a Member requests to view, verify or correct personal information, Mile shall (i) not use or provide such personal information until the correction or deletion is completed, (ii) respond sincerely to the request of the Member, (iii) take necessary measures without delay if it is deemed necessary to correct or delete the personal information (including if there is an error in the personal information or if the retention period of the personal information has elapsed).
2. When a Member requests to view or verify through wire or written communication, Mile shall confirm whether the request is true to the person's intention by requiring a copy of the requesting party's ID.

Article_15 (Restrictions on Accessing and Viewing Personal Information)

1. The personal information that has been canceled or deleted at the request of a Member is processed as specified in Articles 9 to 11, and is processed so that it can't be viewed or used for any other purpose.
2. A Member may view or modify registered personal information at any time and may request termination of membership

Article_16 (How to Exercise Rights)

Members may exercise the rights of this Chapter by means of written communication, mail or fax to Mile

Article_17 (Exercising the Rights of Agents)

Members may exercise the rights of this Chapter through their legal representatives or their authorized representatives. In this case, the member must submit the power of attorney in accordance with the Personal Information Protection Act.

Chapter 9 Matters on Installation / Operation and Rejection of Automatic Collection Device of Personal Information

Article_18 (Use of Cookies)

1. Mile uses cookies or similar technologies (hereinafter referred to as "cookies") that store and access from time to time Members' access information. Cookies are a small amount of information stored on the device when a Member visits an application and stores information that can be read when the Member returns.
2. Mile uses cookies for the following purposes.
 - A. Maintain a Member's connection session
 - B. Service visit and usage behavior analysis

C. Security access

3. The installation of cookies is at the option of Members. The installation of cookies will be executed pursuant to the browser settings set by Members which may accept all cookies, request consent for installation each time a cookie is saved, or reject installation of all cookies. Please note that if you refuse to install the cookies, you will face inconvenience in using the website and may have difficulty using some services that require login.

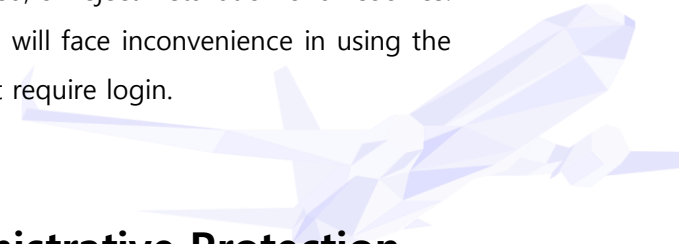

Chapter 10 Technological / Administrative Protection Measures of Personal Information

Article_19 (Minimizing and Educating Processing Staff)

The personal information processing staff of Mile is limited to the person in charge, and a separate password is assigned to it so that it is updated regularly. Through regular training for the person in charge, Mile always emphasizes compliance with the personal information processing policy.

Article_20 (Establishment and Enforcement of Internal Management Plan)

Mile has established an internal management plan for the safe processing of personal information.

Article_21 (Encryption of Personal Information)

Personal information of Members is encrypted and stored and managed. Only the user can know it, and important data is encrypted by encrypting the file and transmission data, or using the file security function.

Article_22 (Restrict Access to Personal Information)

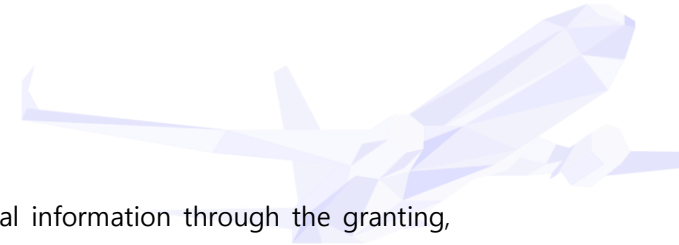

Mile takes necessary measures to control access to personal information through the granting, modification and cancellation of access to the database system handling personal information and controls unauthorized access from outside by using an intrusion prevention system.

Article_23 (Personal Information Protection Manager)

Members may report any privacy complaints that may arise as a result of using Mile's services to the following person. Mile will respond promptly and fully to Members' reports.

Privacy Manager

- Name: Eliyah Peng
- Position: Representative Director
- E-mail: info@mileplatform.com

Article_24 (Personal Information Request)

Members may request to view personal information in the following person. Mile will make every effort to promptly process requests for personal information.

- Name: Eliyah Peng
- Position: Representative Director
- E-mail: info@mileplatform.com

Chapter 11 Miscellaneous

Article_25 (Notice of Personal Information Processing Policy and Notification Method)

1. In case of addition, deletion or modification of the current personal information processing policy, Mile will notify the reason and contents of the change through the Notice section of the electronic bulletin board managed and operated by Mile at least 7 days before the amendment. However, if there is any significant change in the membership rights in the collection and utilization of personal information, we will notify you at least 30 days in advance.
2. If Mile wishes to use the personal information of a Member beyond the agreement of the Member or obtain the additional consent of a Member to entrust the handling to a third party, Mile shall individually notify the Member in writing, by mail or telephone.

3. If Mile entrusts the collection, storage, processing, use, provision, management or destruction of personal information to a third party, Mile will notify the Member through the Terms of Service and Privacy Policy.

Article_26 (Personal Information Request)
